

**NTCIA to Hear Talk On Street Lighting**

A representative of the Southern California Edison Co. will discuss ornamental street lighting for the area at the Wednesday night meeting of the North Torrance Civic Assn. at McMaster Park, President Muri Reeves said Saturday.

READY TO PERFORM . . . The Tartar Choir, under the direction of Glenn Hawley, will be given a featured part in the spring concert at Torrance High School next Friday evening. Appearing with the choir will be the concert band, orchestra, and glee club.

**Choir to Have Featured Role in Annual Torrance High Concert**

The first annual spring concert by the Torrance High School music department will be held Friday night in the school auditorium, beginning at 8 p.m.  
Featured will be the concert band, under the direction of J. M. Baum, and the Tartar choir, with Glenn Hawley directing.  
Tickets for the concert are priced at 35 cents and may be obtained from any band, orchestra, glee club or choir member at THIS.  
A mixed choral group of 50 singers, the Tartar choir has appeared at school and civic programs throughout the Torrance area. Among the numbers scheduled on the choir's portion of the program will be "O Spirit," by Margarite Haney; "Be Thou Not Still," by David Foltz, and "Fireflies," by Hawley Dole.  
Torrance's concert band has made a number of recent appearances, including attendance at the USC and UCLA High School Band days, the Western Band Review and the District Music Festival.  
They will perform a variety of numbers, including "Barnum and Bailey's Favorite," by K. L. King; "Overture For Band," by Mendelssohn; "St. Louis Blues March," by Handy-Gray, and "Beautiful Colorado," by Joseph De Luca.  
Jim Thompson, baritone, and Ed Alvarez, drums, are scheduled to play solos at the concert.

**Commission Puts OK on Golf Plans**

The Torrance Recreation Commission will recommend that the Council approve the pitch and putt golf course for the Seaside park area in a communication scheduled to be presented to the City Council tomorrow evening.  
The Commission voted unanimously at a recent meeting to approve the plan following lengthy consideration of the project which included a public hearing in the area.  
Other matters to be considered by the Council when it meets at 5:30 p.m. tomorrow, will include a request by residents of El Nido that the area be annexed to Torrance. The proposal is being sponsored by the El Nido Civic Assn.  
The Council also will be asked by the Pacific Hills Homeowners Assn. and the Walteria Civic Organization to provide more police protection in the south Torrance area.  
A resolution endorsing the June bond election of the School district for \$10,000,000 has been drawn up on the Council's instructions and will be presented for adoption, according to the agenda for tomorrow's meeting. Other matters will include consideration of stop signs, the city dump, hog farms in Torrance, business licenses, and several engineering matters.

**... Nike Base**

(Continued from page one)  
a letter last week.  
**Army Holds Aces**  
The Army holds all the aces in the matter, it has been indicated, because the government still retains the recapture clause on the airport property and could take over there tomorrow if they thought it was necessary.  
Officers representing the Sixth Army have indicated on several occasions, however, that they wish to cooperate with Torrance in any way possible in the selection of the launching site for the missile. The installation here is needed to complete the ring of Nike sites which will guard the Los Angeles basin's western perimeter.  
Exact locations preferred by the Army on the airport have not been revealed for security reasons, the HERALD has been told. For the same reasons, alternate sites have not been pinpointed, although little effort is made to conceal the sites once they are installed.  
Negotiations between the city and Sixth Army officers are being continued.

**Miletich New President of Maples Ford**

Election of Vol Miletich, associated with the Oscar Maples Ford agency here for several years, as president and general manager of the firm, was announced here Friday by Oscar Maples on the eve of his departure for Independence, Mo., on an extended business trip.  
Miletich announced immediately that the firm would continue to operate as it has during the past year and that no major changes were being planned. The firm will continue to be operated as the Oscar Maples agency, both men said.  
Maples was unable to say what his future plans would be. He indicated that several things were pending.

**Agency Cited**

Announcement in the change of management here coincided with the announcement by the Ford Motor Co. that the local dealership had been awarded one of the highly prized Four-Letter plaques. The plaque presented to Maples and Miletich Friday cites the agency for sound management, efficient management, competitive spirit and modern facilities. The award is the highest given by the Ford Motor Co. and is very difficult to obtain.

Hal Griffin, field manager of the Ford Division for the Ford Motor Co., praised the high standards of the local operation.  
Before leaving Friday, Maples expressed his thanks to all his friends in this area and acknowledged the cooperation he had received on all fronts.  
He is expected to return here for a short time this week end.

**Obituaries**

**Talmage D. Maxwell**  
Funeral services for Talmage DeWitt Maxwell, 42, of 1328 Amapola Ave., were held Saturday at Stone and Myers Chapel, with the Rev. Robert A. Wells officiating. He died Wednesday.  
A native of Tennessee, he had lived in Torrance about four years. He was employed at Dow Chemical Co. and was a member of the Narbonne Ave. Baptist Church.  
He is survived by his widow, Bernice; daughters, Ruby Griffith, Barbara Sweeney, Nelda Ann Maxwell, all of Torrance, and Betty Jean Letender, of Honolulu, T. H.; son Talmage Jr., of Torrance; sisters, Ruth Sullivan, Jessie Smith, both of Nashville, Tenn.; and Sarah Frances Schaller, of Tyrone, Ark.; and a brother, Biffel Maxwell, of Turrel, Ark.  
Burial was in Roosevelt Cemetery.

**Robbers Get Money, Tie, Gag Attendant**  
After forcing him to open the cash box, two armed robbers tied his hands and feet with baling wire, stuffed rags in his mouth, and made their getaway, Richard C. Corbett, service station attendant at 25421 S. Western Ave., told sheriff's deputies Friday.  
Corbett said he was accosted by the men as he was inside the station. One pulled a gun on him and demanded his money. When he said he had none, they forced him to get about \$20 from a cash box. They then tied him up, kicked him, and fled, Corbett said.

**Lady's Wallet Lifted**  
Her wallet, containing \$17, was taken from her car Thursday, as it was parked near 206th and Catalina Ave., Elaine S. Arbuckle, of 1446 W. 214th St., told sheriff's deputies.

**... Rabid Dog**

(Continued from page one)  
warned to watch their pets closely for any unusual behavior.  
There are two types of rabies, the dumb type, in which there may be no marked viciousness although the lower jaw drops, is usually followed by general paralysis and death in four to seven days.  
In the second type, furious rabies, the animal may seem normal at times, and again, seem to avoid noise and light, and refuse to eat properly. Later, he may become "mad," biting at anything which comes near. General paralysis is followed by death.  
**No Known Cure**  
There is no known cure for rabies, once it affects a human being or animal. Persons who can be contacted shortly after they have been bitten, are given a series of shots which will prevent the disease.  
Shots are given also to persons who might have had contact with the animal, since the germs may enter from the saliva of the animal through any break in the skin.  
County Health officials were knocking on doors in the affected neighborhoods to find possible bite victims, while Humane Society representatives were rounding up any animals which might have had contact with the rabid dogs.  
Persons who have been bitten or know of suspicious animals should call the County Health Department at FA 8-3310 or the Humane Society at FR 2-8100.
